## *SCHOOL AUDITOR'S REPORT*

Belmont, N. H., July 6, 1927

I have this day examined the accounts of D. W. Gale, Treasurer of the Belmont, N. H., Schools and find them correctly cast and properly vouched during the year from June 30, 1926 to June 30, 1927, and the sum of three hundred four dollars and eighty-nine cents ($304.89) in his hands.

JOHN P. WILLARD, Auditor.

# *REPORT OF SUPERINTENDENT OF SCHOOLS*

To the School Board and Citizens of Belmont:

I have the duty and pleasure of submitting to you my thirteenth annual report as superintendent of schools, the twentieth in the series of such reports.

Your attention is called to the statistical table, to the financial reports and school board's budget, and to the Honor Roll, which are printed elsewhere. It should be noted that ten children had perfect records in the matter of attendance for the entire school year which ended last June. Three Plummer School children from the same family are among this number.

The following table makes it easy to compare last year's records in certain respects with those of the previous year:

| | 1925-6 | 1926-7 |
|---|---|---|
| Total Enrollment | 226 | 201 |
| Boys | 125 | 98 |
| Girls | 101 | 103 |
| Average Membership | 193 | 191 |
| Per Cent Attendance | 93 | 93 |
| No. of Tardinesses | 329 | 242 |
| No. of Visits by Superintendent | 166 | 185 |
| Expenditures All Purposes | $14,445.53 | $13,657.84 |

There was a falling off in the total number of different children enrolled during last year, but a slight increase in the average membership.

Fifteen pupils successfully completed the work of the eighth grade last June. Eleven of these entered

our High School or High School elsewhere. This is a higher record than we had the previous year. As I have heretofore stated it ought to be the natural thing to pass directly from the eighth grade to the ninth grade, or high school.

The only change in our teaching force last year after the report was submitted was occasioned by the resignation of Miss Elizabeth Jones at the Upper Province Road School, due to ill health. Mrs. Lillian Knowles was appointed to fill this vacancy.

In June Miss Florence Johnson and Miss Margaret Atwood, teachers in the lower grade rooms at the Gale School, resigned. Both Miss Johnson and Miss Atwood had been with us two years and had proved themselves very successful teachers. Both these teachers accepted positions in New Jersey. Another resignation in June was that of Miss Irene Comire who had taught for two years in the seventh and eighth grades at the Gale School, and carried on the work in French in the High School most acceptably. After spending the summer in study in Europe, Miss Comire accepted a position in Franklin. These vacancies were filled by the appointment of Miss Alberta Piper, a graduate of Plymouth Normal with one year's successful experience, to the first and second grade position, of Miss Gladys Dearborn, a Plymouth graduate, to the third and fourth grade position, and of Miss Irene Hebert to the position formerly held by Miss Comire. Miss Hebert is a three-year graduate of Keene where she specialized in French. Miss Agnes Darling, a Plymouth graduate, was selected for the fifth and sixth grade position. This position had been filled last year, following the resignation of Miss Gerrish, by a substitute, Mrs. Edna Maxwell.

The present enrollment in our schools is 208, an increase of eight over a year ago. The pupils are distributed as follows:

| | |
|---|---|
| Gale, I and II | 45 |
| Gale, III and IV | 39 |
| Gale, V and VI | 30 |
| Gale, VII and VIII | 21 |
| Gale, High | 20 |
| Ladd Hill | 17 |
| Plummer | 17 |
| Upper Province | 12 |
| Lower Province | 7 |

The enrollment at Lower Province Road is small and it would seem that it might be possible and wise to combine the two Province Road schools. The enrollment at the Ladd Hill school from time to time varies greatly. At the present time it is at the high peak.

It was evident a year ago that additional room would need to be provided for the high school if this work was to expand and develop as it should. The school meeting made no provision to meet this need. The problem was solved by the school board by erecting a partition in the seventh and eighth grade room. This provided an additional room for the high school. While the school is stil cramped we have been able to get along this year. If the school continues to grow, as we have every reason to expect it will, additional room should be provided in some manner before the opening of school next year. The school district has committed itself to the policy of maintaining a high school and I am sure it will want to provide suitable accommodations and equipment.

At the opening of school last September a full four-year course was offered for the first time. The enrollment at the opening of the term was 23. Three pupils found it necessary to drop out, two to go to work and one because of illness in the family. At the present time there are enrolled six freshmen, seven sophomores, six juniors and one senior, a total of twenty. We are anticipating our first high school graduation next June. Typewriting and stenography are now offered in the third and fourth year. These courses are much enjoyed by the pupils and will surely prove worth while. We were very fortunate in securing Mrs. Florence Skinner as teacher of these commercial subjects. Mrs. Skinner had had some six years experience. She is an excellent teacher. In addition to teaching in the high school she has the mathematics in grades seven and eight. This arrangement relieves Miss Hebert who has three classes in French in the high school. It may be of interest to note that Mrs. Skinner is now conducting an evening class in stenography for adults. I am very glad to commend the work of all our high school teachers. An excellent spirit exists in this school.

The state high school inspector visited this school in October and his report was very favorable. Last May all the high school pupils in the state were tested in spelling. Each of the three classes in our high school ranked above the standard median and also the state median. Our third year class has a perfect record, the only one in the state. In fairness it should be stated that we had only one pupil in this class.

In addition to the pupils in our own high school there are at present six pupils in the Laconia High

School and two in Tilton School for whom the Belmont School District is paying tuition.

Miss Mary Savolainen, teacher at Ladd Hill, asked in November for a leave of absence that she might complete her normal course at Keene. Miss Mella Boron, a graduate of Keene, is now substituting this position. Our apportionment of the State Equalization Fund this current fiscal year is $3,173.19. The apportionment for the next fiscal year will be $3,635.81, an increase of $460.00.

The following table will be found convenient for a comparison of the budget proposed by the School Board for the next fiscal year with that of this year:

| | 1927-28 | 1928-29 |
|---|---|---|
| Teachers' Salaries | $9,050.00 | $9,150.00 |
| Text-books | 350.00 | 350.00 |
| Scholars' Supplies | 250.00 | 275.00 |
| Flags | 25.00 | 25.00 |
| Other Expenses of Instruction | 25.00 | 25.00 |
| Janitors | 650.00 | 650.00 |
| Fuel | 700.00 | 700.00 |
| Water, Light, etc. | 75.00 | 75.00 |
| Minor Repairs and Expenses | 300.00 | 300.00 |
| Medical Inspection | 160.00 | 160.00 |
| Transportation | 1,000.00 | 1,200.00 |
| Payment of Elementary Tuition | 72.00 | 72.00 |
| Payment of High School Tuition | 900.00 | 600.00 |
| Salaries of District Officers | 200.00 | 200.00 |
| Truant Officer and School Census | | 25.00 |
| Supt's. Excess Salary | 297.50 | 297.50 |
| Per Capita Tax | 494.00 | 466.00 |
| Other Obligations | 100.00 | 100.00 |
| Deficit | | 425.00 |
| Total As'm't Recommended | 11,250.31 | 11,090.69 |

The deficit which is anticipated this year, and for which the School Board is asking a special appropriation of $425.00, is due to an increase in the cost of transportation of pupils and to the cost of equipment for typewriting in the high school for which no provision was made in the budget. At the present time there are four transportation routes centering at the Gale School, and one at Laconia. The total cost this year for transportation will be between $1,400 and $1,500.

Again I wish to thank the School Board for their forbearance and helpfulness, and the teachers for their cooperation and loyalty.

Respectfully submitted,

CHANNING T. SANBORN,

Supt. of Schools
